Report on June meetings of Helsington Community Land Trust

The regular monthly meeting was held on Thursday 15th June and the AGM was held on Tuesday 27 June.

The Trustees were pleased to have received a letter from the Parish Council regarding updating the Council and were more than happy for the Clerk to provide a post meeting report.

Various payments were confirmed and cheques signed.

The Trustees agreed to meet monthly on each second Tuesday, dependant on business to be discussed and decisions to be made.

The Trustees were pleased to see the AGM well attended with several people sending their apologies, which showed a keen interest in the project from members. Martin Hoggard chaired the meeting but indicated that he would step down as Chairman at the end of the meeting. The Chairman provided a report on the year, and a Financial Statement was also provided. All members present were happy with both reports. Three trustees stepped down from the Board and two were elected.

Members asked questions which were answered by either a Board Member or Andy Lloyd, all of which were answered to the satisfaction of members. In summing up at the end of the meeting Mike Whelan thanked Martin Hoggard for his time as Chairman, and Andy Lloyd (Project Manager) praised the Trustees on their determination.
