PARISH COUNCIL GRANTS & DONATIONS

Every year Helsington Parish Council allocates a small amount (£400 in 2021/22) for grants and donations to community groups, activities or projects.

If you would like to apply for a small grant or donation towards your group, activity or project (which must be for the benefit of residents of Helsington Parish), please write to the Clerk at the postal or email address below giving brief details of the amount you would like to request, and how the money would be spent.

The Parish Council would also like to receive requests for grant funding for the next financial year (2022/23) in order to make suitable provision in its budget. If possible, please contact us about this before Friday 29 October 2021.

Further information including our Grants & Donations Policy is available on our website at www.helsingtonpc.org.uk
